

2015-16 Flawless Basketball All Card Team Checklist

Notes:

Team assignments generally follow the guidelines below for this checklist. This checklist is a guide. Please ask your Group Break Host for their own rules for team assignments.

1. If there is a NBA Team Logo on Card, then card is assigned to that NBA team.
2. If there is an ABA Team Logo or former NBA Team, then card is assigned to the franchise that the ABA/former NBA Team is associated with. If the ABA Team Logo or former NBA team is defunct, then the card is assigned according to 3.
3. If there is a non-NBA Team Logo (college team, defunct NBA/ABA franchise, no logo, etc), then card is assigned to: 1) player's current team; 2) then assigned to team that the player was on the most years; and 3) then assigned to team where the the player played the most games.
4. If there are multi logos on card, then each logo is treated seperately whether logo is a NBA logo or not. For example, if there is a card with a NBA team logo and a college team logo, then the college team portion follows the rules as noted in 3. For example, Kevin Durant card with Thunder and Texas Longhorns logo. Then the card is assigned to Thunder and Durant's current team Warriors (as of 10/4/16).
